Dated: 15<sup>th</sup> December, 2016

Dear Mam/Sir

It is observed that the some of the Line Estimates submitted in the Water Quality Sub-Mission Dashboard have been found to be discrepant and erroneous in terms of inclusion of data entered in the Line estimates for Sub-mission Proposals. These discrepancies are causing delay in processing the proposals. Hence, I would request all the concerned States to verify the quality of data entered in the Dashboard and to convey the summary of the Line Estimates to this Ministry at the earliest.

With *Regards*

Yours sincerely,

*Sahu*
