Dated the 10th March, 2017

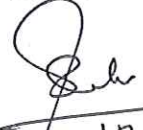

Dear Sir / Madam,

You are aware that the Ministry will be celebrating the World Water Day on 22nd March 2017 at Vigyan Bhawan, New Delhi. This is the one moment wherein sharing of experiences and cross learning is possible. We know that you have successfully commissioned a large number of water purification plants and are operating successfully. You are requested to get printed a brochure of 10-20 pages in 100 copies with full size photographs on the left hand side and the description of the plant and the experiences of the people on the right hand side. This document will be shared with important dignitaries across the country so that this activity would further foster.

Kindly bring the 100 copies to New Delhi positively on 22nd March 2017. It would be preferable if the brochures are handed over to Mr. R. Santosh, Assistant Adviser (WQ) on 20th March 2017.

With Respect,

Yours Sincerely,
