Government of India
Ministry of Drinking Water and Sanitation

4th Floor,
Pt. Deendayal Antyodaya Bhawan
CGO Complex, Lodhi Road,
New Delhi – 110003
Dated: 19.07.2017

To
The Principal Secretary/ Secretary,
In-charge, Rural Water Supply Department
All States / UTs

Sub: To update population covered with Piped Water Supply (PWS)

Madam / Sir,

It is in reference to the letter from one of the state pointing out erroneous population coverage by PWS under format C-30 on IMIS wherein whole habitation was assumed to be covered with PWS even if the PWS has been covered in a small part of a habitation. With this, this Ministry was requested to make a provision in the IMIS website to enter % of habitation covered in a habitation so that actual value could be reflected.

2. The matter was examined in the Ministry and accordingly, following link has been developed by NIC wherein information has to be provided by the States so that actual coverage of PWS could be maintained. For this, after log-in, please go to following:

- Data entry → regular → Update population covered by PWS

3. All States / UTs are hereby requested to insert information regarding % of population covered with Piped Water Supply defined as under:

- *PWS coverage means provision of Piped Water Supply within the household premises or at a horizontal or vertical distance of not more than 100 metres from their household through any type of PWS scheme*

4. It is requested to complete this exercise by **31.08.2017**. In case of any clarification, state may consult Shri Surya Mohan Srivastav / Shri Shiv Kumar (011-24362610) of NIC or Director (Water), MDWS.

Yours sincerely,

(A.K. Srivastava)

Under Secretary to the Govt. of India
