Dated: 9th March, 2018

To

Principal Secretary / Secretary
In-charge of Rural Sanitation
All States & UT

Subject: Launch of SLWM MIS for reporting progress

Sir / Madam,

Ministry of Drinking Water and Sanitation aims to track the progress made under SLWM activities across States under various Central and State schemes to create a SLWM database. SLWM physical and financial progress needs to be captured in SBM (G) MIS from FY14-15 onwards.

NIC has developed a module in the SBM(G) MIS to capture the same. The SLWM progress in terms of number of works and expenditure can be entered by each district under H01 data entry module in MIS. The link is http://sbm.gov.in/SBM/Secure/Entry/SLWM_EntryDistrictWise.aspx.

It is requested to instruct all the districts to fill the expenditure details for SLWM activities undertaken from 2014-2015 financial year onwards, under different state schemes for Solid and Liquid Waste categories. The SLWM activities and expenditure can be reported up to GP level (optional) as well, however reporting progress of SLWM activities at district level is mandatory. The information for all districts should be entered latest by 20th March 2018.

SLWM activities being implemented under Centrally Sponsored Schemes such as MGNREGA, 14th Finance Commission, and RURBAN etc. are to be excluded in this data entry exercise.

Please contact Mr. Ikshwaku Sharma (ikshwakus@kpmg.com, +91-9560501922), consultant, in case of any questions regarding the SLWM data entry formats.

Yours faithfully,

(V. Radha)
Joint Secretary
