All States/UTs

Subject: Reporting Issues to the Program Division

In order to expedite the implementation of Swachh Bharat Mission- Gramin, a decision has been taken to dedicate the month of May to resolve issues pertinent to the program. The key areas that the MDWS would focused on are- 1. Geo-tagging; 2. Verification of ODF declared villages; 3. Making dysfunctional toilets functional; 4. Conversion of in-sanitary toilet to sanitary toilets; and 5. Hiring and Trainings of motivators/swacchagrahis.

In case of any assistance the State should address the issues directly to SBM(G) Programme Division directly to seek clarifications. It is requested that concerned consultants may be copied in these communications if required.

Yours Sincerely,

(Arun Baroka)
Joint Secretary
