**Ministry of Drinking Water and
Sanitation**

(2012-2013)

SECTION - 1

Vision, Mission, Objectives and Functions

Vision

Safe drinking water and improved sanitation for all, at all times, in rural India.

Mission

To ensure all rural households have access to and use safe and sustainable drinking water and improved sanitation facilities by providing support to States in their endeavour to provide these basic facilities and services.

Objectives

In rural areas of the country,

1. enable all households to have access to and use adequate safe drinking water;
2. enable communities to monitor and keep surveillance on their drinking water sources;
3. enable all households to have access to and use toilets;
4. ensure all government schools and anganwadis have functional toilets, urinals and access to safe drinking water;
5. ensuring sustainability of Drinking Water Sources and Systems.
6. provide enabling support and environment for Panchayat Raj Institutions and local communities to manage their own drinking water sources and systems, and sanitation in their villages;
7. provide access to information through online reporting mechanism with information placed in public domain to bring in transparency and informed decision making;

Functions:

- i.) planning, implementation and monitoring of centrally sponsored programmes and schemes for safe drinking water and sanitation in rural areas;
- ii.) conduct periodic performance reviews with all States;
- iii.) supporting R&D initiatives, IEC and HRD activities for all stakeholders in drinking water and sanitation sector;
- iv.) providing support to States in the wake of natural calamities to mitigate drinking water and sanitation problems in rural areas;
- v.) building partnerships and synergizing efforts with other sector partners, organizations, UN and bilateral agencies, NGOs, R&D institutions and

civil society in our common endeavour to ensure access to safe drinking water and sanitation for rural communities;

- vi.) enabling States in resource mobilization from external funding agencies;
- vii.) technical support to States through seminars, interactions, documentation of best practices and innovations;
- viii.) provide inputs to other Departments / Ministries for formulation of policies impacting water and sanitation issues;
- ix.) formulate and review the Demand for Grant of the Department, respond to Audit observations, VIP references, and administrative functions of the Department.
- x.) Recognizing and awarding Panchayats and organizations for excellent work in rural sanitation.
