D.O No.14018/54 (CSR)/2013-DWS (Stat)

Dated: 13th March 2014

Subject: Implementation of CSR projects in the states

Dear Sir,

As you are aware, the Ministry of Drinking Water & Sanitation administers the Nirmal Bharat Abhiyan (NBA) in the rural areas of the country. Despite our best efforts, we could achieve coverage of only about one third of the population. It is a matter of national shame that there are an estimated 626 million people in our country defecating in the open and this constitutes nearly 60% of those practicing open defecation in the entire world. On the other hand, this Ministry is committed to having India ODF by 2022, but at the rate the NBA is progressing, this achievement would require a lot of effort and all efforts from all quarters have to be combined.

2. In order to facilitate the companies to undertake project in the Drinking Water and Sanitation sector, this Ministry has formulated guidelines for setting up projects under Sanitation sector and identified 33 NGO /Social Organisation of National and International repute for implementation of the CSR projects in the field of Water and Sanitation. The impaneled NGO /Social Organisation will be worked on behalf of CPSUs for implementing the CSR projects. The impaneled NGO /Social Organisation for the same are enclosed and are also available at the Ministry's website i.e <http://www.mdws.gov.in>.

Encl: As above

Yours Sincerely

(Sandhya Singh)

Joint Director (Stat/M & E)

To,
