Madam,

We had uploaded the "Environmental Assessment and Environmental Management Framework" study for feedback on 1st March, 2013 and based on the feedback received we have further updated EA-EMF study report and updated version has also been uploaded on our website on 18th March 2013. The draft Version-2 of the above report is now disclosed on our website (www.daa.jharkhand.gov.in) under the latest update section. The Executive Summary of the report in Hindi would be uploaded as soon as we receive it from the Consultant.

The above report and the Executive Summary will also be available in our office as well as the office of the Executive Engineer of the proposed 6 districts.

The state has no objection if the EA-EMF study report is as well updated on the World Bank's website.

Thanking you,

Sanjay Jha

Director, NRDWP
