It was informed that the State of Odisha will be allocated tentatively Rs. 102.69 crore (excluding MDI) for NRDWP during 2017-18 as per existing guidelines. Accordingly, state was advised to revise the targets/shelf of AAP for 2017-18 as shown by the State during AAP meeting by taking into account the unspent balance available at the end of the financial year 2016-17(Closing Balance). Higher contribution of State share would be appreciated to maintain more in-flow of fund to this sector.

There will be no investment in new projects. However there

will be exception to take up new projects in verified ODF villages, SAGY villages, Arsenic/ Fluoride affected habitations. In similar order of progress of work, Odisha has proposed to cover 1004 habitations (including 177 quality affected habitations) with PWS during the year 2017-18.
